# INTRODUCTION

In this short guide, I share...

## **101 HIGH PAYING** affiliate programs in 20+ different **high-ticket niches** that you can promote to make **huge commission cheques.**

And not just the niches but the most profitable affiliate programs in those niches too.

It takes just as much time and effort to promote a high end product as it does a \$7 eBook.

And refund rates with expensive products are much lower as when people make a big purchase they tend to have thought it through properly rather than done so on impulse.

There's a wide range of products here in a variety of different niches ranging from private jet and yacht charter to rich man sports like golf, emerging new niches like drones and even gold prospecting.

**All these niches have one thing in common, they pay high commissions AND have big demand.**

You'll find the niches and you'll find some affiliate programs you can apply for and promote.

So let's do this...

# PRIVATE JET CHARTER
